Pure Essential Oil Wax Crumbles For Oil and Wax Warmers

Natural Patches Wax Crumbles™ are a fresh, innovative new concept for in-home aromatherapy.

Infused with only the finest, pure essential oils our Crumbles deliver true aromatherapy - unlike potpourri tarts and melts, which merely scent the air.

- **Economical** – Melt a single spoonful for a brief intense burst of aromatics. Add more to boost the aromatic intensity or extend the duration of your aromatherapy session.
- **Practical** – Stored in their tin, the unused Crumbles will retain their fragrance for future use.
